Product Description

Italian Style Sofa Bed Mechanisms

LINKREST is one of the leading **High Leg Italian Style Sofa Bed Mechanism** manufacturers and suppliers in China. Our future is dependent on our passion for more value added and brand new designing, high quality products and professional service while meeting our financial objectives. We have been investing in R&D, automatic production lines, and finding the best solution to reduce the cost and lead time for customer satisfaction. Raw material and transportation cost are on the rise, we have dedicated ourselves on finding technical solutions like our DIY mechanisms and redesigned construction to ensure customer satisfaction.

High Leg Italian Style Sofa Bed Mechanism Features & Benefits:

1. High leg but low seat profile.
2. Easy to open and close.
3. Super comfort both sitting and sleeping without sagging.
4. Balance very well.
5. Mounting brackets for fixed arms.
6. Partly assembled mechanism with free of riveting process for customers to assemble easily at factory to save cost both shipment and warehouse.
7. Add open stop safety function.
8. No bar in sleeping area and webbing in pillow area for really super comfort sleeping.
9. Two thousand cycles of stress test and TUV test.
