

Knock Down Brackets For Arms

This knock down brackets for arms is made of high quality steel and very thick material for very strong connection.

KD1927 is a very solid KD connection, which is applicable to both the sofa bed mechanism and fixed arm as well as the lifting and moving of KD lock components. The HNG3R/L connecting base arm and upper arm can be lifted upward to make the arm higher and closed downward, which can also save packaging space.

Product Description

Furniture KD Connector Fittings

LINKREST is one of the professional **Knock Down Brackets For Arms** manufacturers and suppliers in China.
