

## Sofa Bed Adjustable Back mechanism

LINKREST is one of the famous sofa bed adjustable back mechanism manufacturers and suppliers in China. The sofa bed adjustable back mechanism uses rigid and synchronous high-grade steel, which is safe, stable and has a long service life. This sofa bed allows people to relax fully and sleep more comfortably during use. It has finger tip motion control with infinite tilt position, and the wheels contact the sofa lifting system to ensure safe operation.

## Product Description
